"Milestone takes the phrase "Outcross Performance and Style" to a whole new level! This bull has us as excited as Dream On did almost 10 years ago this fall! We are selling only 50 - 20 unit packages for \$1000/each. When the 50 packages are gone, no more semen will sell until 2011! Dont miss the opportunity to invest in the future of **PUREBRED BALDY SIMMENTAL GENETICS NOW.** Order your package now, don't be left out." Call Jon at 515.468.8221
