

JF American PRIDE

0987X OF MSF

"A picture tells a thousand words. We've owned some of the Simmental breeds greatest sires, but we believe with all our hearts that JF American Pride 0987X is the most special animal we have ever had the chance to be a part of, it is as simple as that. We're not selling "semen packages" or have any marketing gimmicks on this bull, just straight up selling semen to help better our breed and the cattle industry. Please take time to view the video and discover he is the soundest made, biggest bellied, most attractive Purebred Simmental ever to walk. His performance and eye appeal set him a part, we welcome your calls to discuss American Pride. We would like to give a special thanks to Jack McCoy of Meadow Springs Farm, Lafayette, Indiana for selling us this remarkable bull and his powerful dam and to Jeff Miller, Cutler, Indiana for pointing us in his direction!"
